President Message

M G Balakrishna
President, FKCCI

Dear MSME Entrepreneurs,

We have great pleasure in extending a warm invitation to all the MSME Entrepreneurs for India MSME Conclave – 2025 jointly being organized by FKCCI, KAASIA & PIA on 30th, 31st May and 1st June, 2025 at Tripura Vasini, Palace Grounds, Bengaluru.

FKCCI has taken the lead in promoting the MSME Sector and this MSME Conclave - 2025 is to showcase the achievements of MSME Sectors showcasing their innovative ideas and expand new business ventures.

This is an ideal platform for MSME's to collaborate with all the stakeholders by participating in the

Exhibition, Conferences, Seminars and Workshops as well as participate in B2B and B2C Networking.

This MSME Conclave will also give an opportunity for the MSME's to interact with PSUs and MNCs in discussing the deliverables and payment schedule which is the major issue in the growth and development of the MSME Sector.

We hope the participation in the MSME Conclave-2025 will enable the MSME's to utilize this opportunity to further develop and accelerate their growth.

On behalf of Office Bearers and Members of FKCCI,

I extend a warm welcome to all.

M G Rajagopal
President, KASSIA

new business opportunities. The event includes Expo & Conferences, Seminars & Vendor Development Programs – Collaborated with PSUs & MNCs, B2B & B2C Networking to Connect with potential partners & clients.

Your participation will not only accelerate your business growth but also strengthen India's MSME ecosystem.

Members are hereby requested to use this opportunity and be a part of the event.

Shiva Kumar R
President, PIA

Dear MSME Entrepreneurs,

As the President of Peenya Industries Association (PIA), I extend a warm invitation to you to participate in the India MSME Conclave 2025, jointly organized by FKCCI, KASSIA & PIA.

Scheduled on 30th, 31st May & 1st June 2025 at Palace Grounds, this conclave is a golden opportunity for MSMEs to showcase their innovations, expand networks, and explore new business avenues.

With a diverse lineup of Expo, Conferences, Seminars, Vendor Development Programs with PSUs & MNCs, and B2B & B2C Networking, this event is designed to empower and uplift the MSME sector.

Your participation will not only help your business grow but also contribute to strengthening the MSME ecosystem in India. Don't miss this chance to connect, collaborate, and create new opportunities!

We look forward to welcoming you.

About India MSME Conclave 2025

The India MSME Conclave 2025 is a premier event designed to strengthen the collaboration between Micro, Small, and Medium Enterprises (MSMEs), Public Sector Units (PSUs), and corporate entities under the government's procurement preference scheme. This conclave aims to facilitate vendor development and promote the creation of indigenous products in alignment with the Make in India initiative. By bridging the gap between MSMEs and large organizations, the event aspires to enhance the global competitiveness of Indian enterprises.

Key Objectives:

- **Enhance MSME Competitiveness**

Showcase innovative products, services, and technologies to bolster market position.

- **Facilitate Business Connections**

Provide networking opportunities for MSMEs to connect with potential customers, investors, and strategic partners.

- **Promote Entrepreneurship**

Inspire and support start-ups, women entrepreneurs, and young business leaders in their journey.

Encourage knowledge exchange and partnerships between MSMEs, research institutions, and academic bodies.

- **Address MSME Challenges**

Discuss and find solutions to critical challenges such as access to finance, technology upgradation, and market expansion.

India MSME Conclave 2025 is set to be a transformative platform, empowering MSMEs to scale new heights and compete effectively in the global market. Join us in driving innovation, fostering partnerships, and shaping the future of the MSME sector in India.

About MSME

Micro, Small and Medium Enterprise (MSME) is a highly vibrant and dynamic sector of the Indian economy. MSME sector not only plays a crucial role in providing greater employment opportunities at comparatively lower capital cost as compared to large industries but also helps in industrialization of

rural & backward areas, thereby reducing regional imbalances and assuring more equitable distribution of national income and wealth. After Agriculture, MSME sector holds the second largest share in employment generation. MSMEs also contribute enormously to the socio-economic development of country by acting as the backbone of the industrial sector in terms of their numbers.

Aims & Objectives

The India MSME Conclave-2025 aims to enhance the connection between Micro, Small, and Medium Enterprises (MSMEs) and Public Sector Units (PSUs) and corporate entities under the government's procurement preference scheme. Its goal is to better understand the procurement needs, enabling MSMEs to compete in the global market through vendor development, focusing on the creation of indigenous products under the Make in India program.

1. Enhance MSME Competitiveness: Showcase innovative products, services, and technologies to enhance competitiveness.
2. Facilitate Business Connections: Provide opportunities for MSMEs to connect with potential customers, investors, and partners.
3. Promote Entrepreneurship: Inspire and support start-ups, women entrepreneurs and youth entrepreneurs.
4. Foster Industry-Academia Collaboration : Encourage partnerships between MSMEs, research institutions, and academia.
5. Address MSME Challenges : Discuss and address key challenges faced by MSMEs, such as access to finance, technology, and markets.

Context

When India is reaching its 5 Trillion Economy levels it is an apt time for the MSME sector to gather under one roof to explore solutions, make new connections and listen to those leading the way in smart manufacturing and engineering manufacturing & services showcasing cutting-edge innovations in hardware / software and AI solutions to the current industry.

Keep your finger on the pulse of developments in the sector and discover how to navigate this increasingly complex and technology-driven landscape during this conclave.
